CCPS Lenten Project

Gift of Love Boxes are our students' little personal sacrifices as a Gift of Love to the less fortunate, using recycled materials to foster our love for the environment.

Acts of Mercy – Our students spread the magic of kindness through little acts of mercy so that the people around them will experience 40 days of kindness and grace.

ACTS OF MERCY

P3-P5 Interest Week 2022

During Interest Week (3 – 9 March), students will experience the process of *Discovering the Unique Me!* The activities lined up for the week aim to inspire our students to aspire by:

- providing students opportunities to **explore their values, interests, personality and skills**, and **deepen their sense of purpose in life**
- raising their awareness of **different types of education and career pathways**
- equipping them with the **values, skills and dispositions of lifelong learning to make informed choices** regarding their secondary school education

Students have the choice to select a module of their choice from an exciting range of fun and interesting modules such as Animation, Playing the Cajon, Cartooning, Baking, Design, Drama, Entrepreneurship, In-line Skating, Jazz Dance, Media, Soccer and Urban Farming.
